IMPORTANT INFORMATION

PLEASE READ THE GUIDELINES AT THE BEGINNING OF EACH SECTION – THEY WILL HELP YOU TO FILL IN THIS FORM

Assistance in filling in the form

You may benefit from assistance in filling in this form. To find out how to obtain such assistance, you may refer to the information provided by the Member States and published on the website of the European Judicial Atlas in civil and commercial matters, available at the European e-Justice Portal https://e-justice.europa.eu/content_small_claims-354-en.do. Please note that this assistance does not include legal aid, for which appropriate application must be made under national law; nor does it include a legal assessment of your case.

Language

Fill in this form in the language of the court/tribunal to which you are sending your application. Please note that the form is available in all official languages of the institutions of the European Union on the European e-Justice Portal https://e-justice.europa.eu/content_small_claims_forms-177-en.do. This may help you in filling in the form in the required language.

Supporting documents

Please note that the claim form should be accompanied, where appropriate, by any relevant supporting documents. However, this does not prevent you from submitting, where appropriate, further evidence during the procedure.

A copy of the claim form and, where appropriate, of the supporting documents, will be served on the defendant. The defendant will have an opportunity to submit a response.

1. Court/tribunal

In this field you should identify the court/tribunal before which you are making your claim. When deciding which court/tribunal to choose, you need to consider the grounds for the court's/tribunal's jurisdiction. A non exhaustive list of possible grounds of jurisdiction is included in section 4. You may wish to use the dedicated search facility, available on the European e-Justice Portal to find the details (address, telephone number etc.) of the court with jurisdiction: https://e-justice.europa.eu/content_small_claims-354-en.do

Before which court/tribunal are you making your claim? I.1. Name:
1.2. Street and number/PO box:

2. Claimant

This field must identify you as the claimant and your representative, if any. Please note that it is not mandatory to be

represented by a lawyer or another legal professional.

It may not be sufficient in some countries to give only a PO Box as the address and you should therefore include the street name and number with a postcode. Failure to do so may result in the document not being served.

If you have a personal identification number given by the authorities of a Member State it would be helpful to provide it. If you don't have such number, it would be helpful to provide the number of your passport or identification document, if you have them. If you act on behalf of a legal person or any entity having legal capacity, it would be helpful to provide a relevant registration number.

"Other details" may contain further information that helps to identify you, for example, your date of birth, occupation or position in the company.

Where there is more than one claimant, please use additional sheets.

In this field you should identify the defendant and, if known, his representative. Please note that it is not mandatory for the defendant to be represented by a lawyer or another legal professional.

It may not be sufficient in some countries to give only a P.O. Box as the address and therefore you should include the street name and number with a postcode. Failure to do so may result in the document not being served.

If you know a personal identification number given to a defendant by authorities of a Member State it would be helpful to provide it. Alternatively or additionally it would be helpful to provide a number of the defendant's passport or identification document, if you have them. If the defendant is a legal person or any entity having legal capacity, it would be helpful to provide a relevant registration number for the defendant if you know it.

"Other details" may contain further information that helps to identify the person, for example the date of birth, occupation or position in the company. If there is more than one defendant, please use additional sheets.

No claims of a value higher than EUR 5000 or which are listed in Article 2 of Regulation (EC) No 861/2007 of the European Parliament and of the Council establishing a European Small Claims Procedure can be dealt with under this procedure. If your claim does not relate to an action within the scope of that Regulation in accordance with Article 2, proceedings will continue before the courts/tribunals with jurisdiction in accordance with the rules of ordinary civil procedure. If you do not wish to continue proceedings in that event, you should withdraw your application.

Monetary or other claim: You should indicate whether you are claiming money and/or something else (non monetary claim), for example, delivery of goods, and then fill in respectively either 7.1. and/or 7.2. In the case of a non-monetary claim, you should indicate whether you have a secondary claim for compensation if it is not possible to satisfy the original claim.

If you wish to claim the costs of the proceedings (e.g. translation costs, lawyers' fees, costs relating to the service of documents etc.), then you should indicate this in 7.3. Please note that rules regarding the costs which courts/tribunals can award vary between different Member States.
